

ADDITIONAL FINENESS CERTIFICATION

We certify that the precious metal fineness of the items we sampled according to the procedures defined by Italian Law (Decree Legislative n. 251/99 – Presidential Decree n. 150/02) among the products of

SUPERORO S.P.A.

corresponds to the marked fineness.

The samples have been analyzed according to UNI EN ISO 11426:2016 and UNI EN ISO 11426:2017.
